RE: RECOMMENDATION FOR BRIAN GICHIGO NDUNG'U ID NO. 38625502

It is with great pleasure and honor that am writing this recommendation for the above named person. Brian is known to me from the time we engaged him to undertake his industrial attachment from 20th February, 2023 to 19th May 2023.

Brian holds relevant qualifications in Information Technology that can be tapped for the benefit of your organization and community at large. He understands computer repairs, database systems, network administration, web and software development, and ICT support which can be relied upon by any organization. He is equipped with excellent communication, problem solving, interpersonal skills and above all he completes his assignments on time and without constant supervisions. He takes great interest in ICT and continuous learning.

Brian does his work exceptionally well as he is honest, reliable and respect authority. He also values teamwork. NCRC recommends him to your organization for he is an excellent fit for you. Please contact the undersigned on the above address for any question or clarification.
